

Dance Dynamics COVID-19 Waiver 2020-2021

This form acknowledges that my dancer (name listed below) is allowed to participate in classes taken at Dance Dynamics during the months of August 2020 through June 2021. I have read, understand, and agree to the following rules and restrictions listed below.

1. Waiver: IMPORTANT!!! Dancers will NOT be allowed in the building without a signed waiver. You will find a waiver attached to this email. Please be sure to read it carefully and make sure that you agree to all of the terms before signing and submitting it.
2. The waiting areas, restrooms, and kitchen will be closed except to dancers that have a break in between their classes: This means that only dancers will be allowed in the building and in their designated class studio only. Restrooms will be available for emergencies only. One of the lobby rooms will be available for dancers to wait in if they have a break in between classes. Chairs have been placed 6 feet apart from each other. Dancers that need to eat, may only do so in the kitchen. No food or drinks will be allowed in the lobby except for the kitchen.
3. No parents or observers will be allowed in the building: We are asking parents to either wait in your car or drop off your dancer and pick him/her up when the class ends. Thank you for your cooperation!
4. Dancers must use the bathroom before they come to class: The bathrooms will be closed unless it is an absolute emergency. Dancers will not be able to use the bathrooms to change clothes, so please plan accordingly. We will have some portable dressing rooms available for dancers to change if needed.
5. No food or drinks other than water will be allowed in the studios or lobby: If a dancers has a break in between classes and needs to eat, they may keep their food in the kitchen area.
6. Please bring your own water bottle: Dancers will not be allowed to fill up their water bottle while at the studio, so please be sure to bring a filled bottle!
7. Dancers will not be permitted to arrive early: Dancers will not be allowed into the building until their class begins to allow time for the previous class to exit and for the instructor to disinfect the classroom between classes. A staff member will go outside when it is time for the students to enter.
8. Please only bring what you need to class: Please bring as little with you as possible and only what you will be needing for class.
9. Classroom entrances: Because the waiting areas will be closed, Studio A & B dancers will enter through the south doors. Studio C dancers will enter on the west side of the building. Please look for the arrows as the parking lot on the west side is one way only!!!
10. Dancers must remove their street shoes on the Dance Dynamics Mats when entering: No street shoes are allowed on the dance floor. Dancers will need to be wearing tights or socks to walk to their designated spot where they can put on their dance shoes and store their dance bag and belongings.
11. Masks must be worn when entering or exiting the building, but may take them off while dancing: The dancers will not be allowed in the building without a mask. Once the dancers are at their designated area they will be allowed to remove them while dancing.
12. Social Distancing: We have marked the floors with boxes that the dancers must stay in while dancing. Tumblers will stay on their designated matt which will be disinfected in between every class. This will keep the children 6 feet apart from each other. Please Note: There will be times when the dancers will be changing formations or traveling around the room. In this event, the dancers may end up being closer than 6 feet apart. We will ask dancers to wear a mask during the durations of the class when being closer than 6 feet apart.

13. Instructors will be wearing masks, disposable gloves, and using hand sanitizer as needed: When closer than 6 feet apart from a student, instructors will be wearing a mask. Instructors will also be either wearing gloves or using hand sanitizer in the event that they need to spot a student or help guide a child to where they need to be.

14. Hand Sanitizer will be available in every studio for dancers to use before touching the ballet barres, props, matts, therabands, etc.: We will be using ballet barres, matts, props, therabands, etc. during classes. Dancers will have access to hand sanitizer and will be asked to use it before touching above items.

15. Staff members will be cleaning and disinfecting the studios in between classes: Dance Dynamics staff members will be disinfecting the studios in between every class to help provide the safest environment possible.

16. Dancers will not be able to wait inside of the building for rides, so please be sure to arrive on time: Because the waiting areas will be closed, there will not be a place for dancers to wait inside for their rides and will need to exit the classroom immediately following class. A staff member will be outside with the dancers before and after class.

I also agree to monitor my child's health, and will not send my child to class if they or anyone in their household shows any signs or symptoms including but not limited to: a fever, shortness of breath, muscle pain, a headache, cough, or diarrhea. I confirm that my child or anyone in my household has not shown any of these signs for the past 14 days. I also confirm that my child or anyone in my household has not been in contact with anyone that has tested positive for COVID-19.

I am knowingly and willingly choosing to send my child to classes at Dance Dynamics during the global Covid-19 pandemic. I understand that I am doing so at my own risk and agree to not hold Dance Dynamics or any of its employees liable for contraction of any illness.

By signing this, I accept and agree to the terms listed above.
